

PASTEL POSSIBILITIES

October 19, 2022, 10:00 p.m. - 4:00 p.m.

Fee: \$55 for Members and \$65 for Non-Members. Must register before Oct 10th.

Instructor: PAMELA CALLEN (www.pamelacallenart.com)

This watercolor and pastel workshop will help you discover ways of enhancing your pastel painting. You will experiment with different papers and techniques using watercolors, various support mediums, and hard and soft pastels.

This class will provide coaching in various techniques to help you produce beautiful pastels. We will experiment with several ways of adding watercolor as a base for our compositions. The use of black, beige and white supports will also be explored.

Please bring your reference photos (landscapes, still life, seascapes, etc.). Weather permitting, and assuming there is interest, we can also venture outside with our boards for a little Plein air exercise. This is our time to practice a few simple techniques to improve our paintings and have fun with new approaches to luminous pastel painting.

The teacher can supply paper and loan pastels for a small fee, (\$10 - \$20, depending on need).
