

\$5 Fridays

\$5 Dollar Fridays are scheduled on certain Fridays from 12 – 2 p.m. at MCAC with the purpose of gathering to try something new or something you haven't tried before or even something that will just be fun. They may be a jumping off point for your creativity! *The skies the limit!!!*

Handheld Weaving September 8, 12 – 2 p.m. Janice McConnell

Using a support such a small tree branch, we will learn how to weave a colorful design using yarn or fiber.

Creating a Unique Phone Stand October 6, 12 – 2 p.m. Anna Coughlin

During the October \$5 Friday, all will have the opportunity to create a one-of-a-kind stand to hold their cell phone (or note pad or even a recipe card). Using papers, ephemera, and embellishments provided, you'll go home with a unique representation of your creativity. You may even bring some of your own artwork (on paper or cardstock, please) to use.

Christmas Geodes November 17, *11 a.m.* – 1 p.m. (*Note time!*) Christina Stephens

Geodes are ornaments made with broken glass pieces. We will more than likely would use chunky glitter because the glass could cut someone.

**Painted Santa on Wine Glass
December 1, 12 – 2 p.m.
Norma Baretincic**

Do you have something you could share for a \$5 Friday? Let us know!
