

COUNTRY LANDSCAPE

2-days, March 22 - 23, 2023, 10:00 a.m. - 4:00 p.m.

Fee: \$199 (includes both days and lunch) . Must register before March 10th.

Instructor: Amy Lindenberger

A new surface and a new technique! Learn how to use a small amount of Pan Pastel, in combination with colored pencil on Pastelmat, for stunning landscape effects. Pastelmat is a cellulose-fiber-coated surface that feels like a cross between sandpaper and velour, and works beautifully for both pastel and colored pencil. Begin with a minimal line drawing and learn techniques for applying Pan Pastel as a foundation, then develop the colors and details with colored pencil. Some students may also wish to try colored pencil Powder Blender as an additional blending option for colored pencil. The Pan Pastels, Powder Blender and blending tools will be provided by the instructor; the Pastelmat will be provided at a fee of \$5 per sheet (one sheet per student).

Amy is certified under Ann Kullberg's Colored Pencil program. She has been at MCAC many times and very well liked. Class will fill fast. Lunch is provided both days.
